

Fix the Temple

We have a current need to fix the temple (WCC) and this is a very forthright request for your financial involvement.

Inspiration

When King David and the nation of Israel were getting ready to build the temple there was a great deal of excitement. *"Then the people rejoiced because they had offered so willingly, for they made their offering to the LORD with a whole heart, and King David also rejoiced greatly."*

1 Chronicles 29:9 NASB.

And, they recognized everything they had was from God: *"both riches and honor come from You and You rule over all, and in Your hand is power and might; and it lies in Your hand to make great and to strengthen everyone."*

1 Chronicles 29:12 NASB.

Perspiration

We invite you to participate in this one-time Fix the Temple adventure. Our church was built 20 years ago, and is beginning to show its age. Our roof top units (RTU's) must be replaced. These units provide heat in the winter and air conditioning in the summer. Other major building upgrades are also required.

The plan

That we prayerfully consider how we can partner with God to raise \$75,000 above our regular giving.

The process

- A. Our church leadership has been challenged to commit the first 10%. This step has already been exceeded.
- B. We now invite you to participate. The enclosed feedback card provides your opportunity for commitment. Please fill out the right-hand portion and submit your commitment, under 'confidential cover', to mailbox #122 or place it into the offering on a Sunday morning. The date for completion of this step is December 31, 2008.

Realization

God's Word is amazingly clear that "everything" is His. Our responsibility is to be managers of the time, talent and treasure He entrusts to us. This includes our finances.

Thank you for your consideration.
