- ✝ Pray today for *Sean Amstutz*, MBMSI worker in Japan. As Sean teaches English as a Second Language, pray that he would continue to rely on God's strength, that the right people would be drawn to the English program at the church and that in spite of cultural and language barriers, he would be a blessing to those around him. Family Life Network

- ✝ Pray for the Beautiful Unique Girl teams as they present life-changing events for teenage girls across Ontario and the Martimes this month.
