DGD...Check-Up Description of a Growing Disciple

Celebrate and Cultivate Commission, particularly ATM is bringing you an opportunity to ask the question "Am I a growing disciple?" This is a very personal question and we can only answer this for ourselves. God knows our hearts and the desires of our hearts. The revolutionary journey called discipleship requires us to listen to what God is saying and see where he might be inviting us to grow. The tool we offer is not perfect. It is merely offered as a starting point to look at your spiritual development.

Your copy of DGD is available from your Small Groups Leader or at the Welcome Centre – be sure to pick one up and start this amazing journey.
