Our Church Family – please pray for...

Hilda Unrau and her family as Hilda's sister passed away March 6th.

Words of praise from Betty-Anne & Jeff Georgeson - thank you for your prayers for Betty-Anne's mom, Jessie Tiessen. The doctors are baffled as to why there is no cancer to be found anymore. Prayer is exciting ...prayer works. We hope that mom keeps on being healthy.

Mennonite Brethren Missions Service International

Pray today for *Rob & Judy Griffioen*, MBMSI missionaries in Thailand. Pray for continued diligence in their language studies as it takes many years to learn the language well. Pray also for the Griffioen's Thai friends who are seeking to understand who God is in their lives and what to make of the beliefs they have held onto for so long.

Canadian Conference of Mennonite Brethren Churches

Continue to pray for the Kindred Spirits Reward Program (KSRP) through Kindred Productions. Thank God for the 36 registered churches that have signed up already; pray that the program will serve as an effective tool to provide Christian resources to ministries and mission agencies in need.

Family Life Network

Pray for Arabic people who view the TV programs and connect via our Arabic website. A woman in Morocco wrote: "I received your email and already started to read the Bible and all the things about Jesus. I have now voluntarily accepted Jesus in my life."
