

## Grandbaby Congratulation

Harold & Anna are pleased to announce the arrival of their grandson Nathaniel John Ingo, a precious gift from God, born to Jonathan and Sara Epp on March 22.

Dave & Valerie Wiebe welcome their granddaughter, Kaylah Marie, born to Greg & Amanda Wiebe on March 25, in Hamilton, Ontario.

## Operational Upgrades at WCC

### Entrance door fixtures

New security hardware was installed this week on both the front and back doors. The existing hardware was proving unreliable to work with and did not provide the best security. So it's all new and shiny! Take a look as you leave the building today.

### Telephone system

Last week we had a new, more efficient answering service installed on our phones.

The advantages are....

- You can directly access the person you would like to speak to or leave a message on their personal mailbox, just listen for the number to press.
- Administratively this saves time as the phone does not require answering each time it rings – the "Auto" looks after that.
- Calls coming in that only require information on our worship times can simply access that information

Our new phone system has other features as well that we will be working toward implementing, plus improving the current information as we get more familiar with the system.

Gives us a call and try it out!
