Pray today for *Motohiro & Mariya Hamana*, who are missionary candidates with MBMSI participating in our Missionary Training Institute in Abbotsford, BC. Pray that this time will prepare them to serve God and share His message of love and hope to the nations.

### Canadian Conference of Mennonite Brethren Churches

Pray for the Canadian Conference's stewardship ministries team, participating in Eagle's Flight training April 21-23. Pray that this experiential training program will serve as another resource that will propel church leadership teams to greater mission effectiveness in their churches and communities.

Praise God for our conference's pastors and church planters – for the heart they have for ministry and bringing people to a relationship with Jesus. Pray specifically for a team of our pastors and church planters as they attend the National New Church conference, *Exponential 09*, April 21-24. Pray that God's Word would be spoken at this conference and that attendees would come away inspired and fuelled to bring their ideas to their home churches.

### Family Life Network
