Mennonite Brethren Missions Service International

Wendy Eros is a MBMSI worker teaching ESL in Japan. Pray for the future of the ESL program in Japan as well as for all of the students that she is ministering to through her classes. Pray too for a vehicle for Wendy to use while she is in Canada for one year, beginning in August 2009.

Canadian Conference of Mennonite Brethren Churches

- Pray for the churches going through the process of clarifying their missional call in their communities. Pray that God would guide them as they seek to follow him more.
- The Canadian conference's stewardship ministries team continues to facilitate and deliver financial seminars as well as the "Eagle's Flight: The Leader's Triad" seminars, while also participating in pulpit ministry. The feedback from leadership teams who have participated in "The Leader's Triad" has been both positive and encouraging. The team, under Al Thiessen's leadership, is grateful for the partnership with Eagle's Flight and the way God is using it. www.eaglesflight.com

Family Life Network

Pray for videographer *Grant Hoepfner* who left for Moscow earlier this week to pass on his filming expertise to the team there and to film exciting stories of life-change resulting from our Russian TV and radio programs.
