

PRAYER FOCUS

September 20, 2009

... the Holy Spirit helps us in our weakness. For example, we don't know what God wants us to pray for. But the Holy Spirit prays for us with groanings that cannot be expressed in words. And the Father who knows all hearts knows what the Spirit is saying, for the Spirit pleads for us believers in harmony with God's own will. And we know that God causes everything to work together for the good of those who love God and are called according to his purpose for them.

Romans 8:26-28 NLT

The work of sharing the gospel in Japan is a work of sowing seeds, watching them grow and preparing for the harvest. Pray for Doris Goertz as she uses her English teaching skills to bring people inside the Amagaski MB Church and build relationships with them that will allow her to share God's love.

Canadian Conference of Mennonite Brethren Churches

This fall, several churches and staff will be involved in ReFocusing, a revitalization process facilitated through Church Health ministries of the Canadian conference. Please keep those engaging in this process in your thoughts and prayers.

Family Life Network

Pray for our team in Ukraine as they follow up more than 200 kids from their summer camp program. One boy mentioned, "Camp turned me towards the Christian direction - I became a believer and a lot has started to change for me."
