

## PRAYER FOCUS

November 8, 2009

*... the Holy Spirit helps us in our weakness. For example, we don't know what God wants us to pray for. But the Holy Spirit prays for us with groanings that cannot be expressed in words. And the Father who knows all hearts knows what the Spirit is saying, for the Spirit pleads for us believers in harmony with God's own will. And we know that God causes everything to work together for the good of those who love God and are called according to his purpose for them.*

Romans 8:26-28 NLT

### **Mennonite Brethren Mission Service International (MBMSI)**

Join Bob & Chris Davis, missionaries in Chachoengsao, Thailand, in praising God for new believers in their community. The new believers are factory workers, from a neighbouring country, who have come to faith through the witness of Thai Christians. A new worship service has begun in their language. Pray for wisdom for the Davis' as they discern how to move forward with this new ministry.

### **Canadian Conference of Mennonite Brethren Churches**

Praise God for the ministry of Horizon Quebec and the people and churches that have come alongside to support them. As the Horizon Quebec team is planning for the next few years, pray that their spiritual, emotional, and financial needs will be met.

### **Family Life Network**

On this day of the persecuted church, remember former Muslims who turn to Christ, like a man from Egypt who told our team, "Yes, I want to accept Jesus but I am so scared. If my family knows they will kill me."
