Now that the fall harvest is completed, Phil & Carol Bergen and their team will be traveling to Silorola, once again, to share the good news of Jesus in this village. Phil writes, "When you pray for the team and the people of Silorola, you change our spiritual reality." Please pray for a mighty moving of the Holy Spirit in this place!

Canadian Conference of Mennonite Brethren Churches

Praises to God for Dora Dueck who did an excellent job as interim editor for the MB Herald while Laura Kalmar, was away on maternity leave. Please pray for Dora as she makes a new transition and for Laura as she returns to the MB Herald as full-time editor. Pray also for the staff of the other two conference periodicals – the Chinese MB Herald and Le Lien – that they too will continue to be attuned to what God wants to say to our constituency.
