

PRAYER FOCUS

January 10, 2010

When I think of all this, I fall to my knees and pray to the Father, the Creator of everything in heaven and on earth. I pray that from his glorious, unlimited resources he will empower you with inner strength through his Spirit. Then Christ will make his home in your hearts as you trust in him. Your roots will grow down into God's love and keep you strong.

Ephesians 3:14-17 NLT

Church Family... please pray for:

Baby Simon as he is in Children's Hospital Intensive Care with a virus and possibly pneumonia. Pray for Andrew & Sara as they care for Simon. Also Sara's uncle passed away on Tuesday and Andrew's father underwent gallbladder surgery on Wednesday.

Marilyn Walde who has been suffering with pain and swelling in her legs for many weeks. She is undergoing tests to determine the cause of her ill health.

Pat Plett who had surgery for cancer prior to Christmas and has now developed an infection in her incision. Pat will be starting chemotherapy treatment at the end of January.

Guylaine Kornelsen who had surgery on her foot on Tuesday and is recuperating at home.

Mark & Amy Klassen are working in a restricted country with MBMS International. This month they will be joined by four people who have just completed Missionary Training in Abbotsford and who feel that God is calling them to the same city. Please pray for this team as they interact together for the first time.

Canadian Conference of Mennonite Brethren Churches

Please pray for Leadership Training Matching Grant (LTMG) students attending Mennonite Brethren colleges and seminaries across the country. Ask that God grant them energy and focus in their studies as they begin a new semester of learning and discovery!

Family Life Network

Pray for Arabic people who converse with our team via Internet. Recently a man from Libya wrote, "Last time I wrote, I was not a Christian. But now God changed my life for the good. There have been attacks but I pray in the name of Jesus."
