Ray Harms-Wiebe is married to Judy. They have three daughters: Ashley, Alanna and Alyssa. Ray and Judy served under MBMS International in São Paulo, Brazil for 18 years where they worked in the areas of university student ministry, church planting and leadership training. Currently, Ray works out of the MBMSI Abbotsford and serves as the Global Program Team Leader. Global Program includes both the work of new church planting teams among least reached people groups and the resourcing of ICOMB partner conferences. His passion is to know Jesus, lead others to intimacy with Him and see communities of faith birthed around the world."
