Nominations for these **elected** positions will be open until **May 23**. We invite your suggestions as soon as possible. The Ministry Resource Network will then take responsibility to pray and discern together with you and that person as to their giftedness and calling.

Guidelines for choosing people in positions of leadership include: the gift of leadership and some previous experience in a leadership role, passion about the importance of the particular Commission as it relates to the mission of the church, ability to think strategically, and administrative skills.

Commission leaders work in conjunction with the Ministry Resource Network to match a person's spiritual gift/passion for appointed leadership positions. These people are not elected but are **affirmed** by the congregation at the annual meeting.

- **Music Coordinator** **Vanessa Kornelsen**

We are still looking for:

- Adult Teaching Ministry Chair**
- Small Group Resource Chair**

(Note that people filling elected and appointed positions are required to be members of WCC.)
