### **The Prodigal God** Finding Your Place at the Table

The Prodigal Son is the most well-known parable in the Bible. Incredibly, it is also almost universally misunderstood. Within this parable is the lost message of Jesus—where he outlines just how his followers are supposed to love and accept one another so they can join him in Heaven. With this book, both the devout and sceptics will see Christianity in a whole new way.

### **Counterfeit Gods** The Empty Promises of Money, Sex, and Power, and the Only Hope that Matters

The Bible tells us that the human heart is an "idol-factory," taking good things and making them into idols that drive us. In Counterfeit Gods, Keller applies his trademark approach to show us how a proper understanding of the Bible reveals the unvarnished truth about societal ideals and our own hearts.
